The purpose of this section is to provide bondholders, analysts, broker/dealers and potential investors with general information about underlying ratings on State of Florida bonds. The table reflects only underlying program ratings, and does not include insured ratings or ratings upgrades resulting from defeasance escrows. Underlying ratings have not been requested on all programs, and there may be individual series of bonds within a rated program for which ratings were not requested. The information is provided for general information and quick reference only. It is NOT a summary or a compilation of all information relevant to any particular bond issue. It does not purport to include every item which may be of interest, nor does it purport to present full and fair disclosure within the meaning of applicable securities laws. The information is current as of the date indicated, and the Division of Bond Finance does not undertake to update information provided herein.
